

Accessibility Statement

Accessibility Statement

Effective Date: 01/01/2024

Updated: 04/29/2026

Guided Path Terminal Cancer Support, Inc. (Guided Path) is committed to ensuring that our programs, services, and digital platforms are accessible to everyone, including individuals with disabilities. We believe in equal access to information, support, and resources for all members of our community—regardless of ability.

Our Commitment:

We strive to make our website, outreach materials, and events as inclusive and accessible as possible by:

- Designing our website to be compatible with commonly used assistive technologies
- Ensuring readability through font size, color contrast, and simple navigation
- Offering alternative formats for printed materials upon request
- Making reasonable accommodations for in-person services and events
- Training staff and volunteers on inclusive communication practices

Web Accessibility:

We are working toward full compliance with the **Web Content Accessibility Guidelines (WCAG) 2.1**, Level AA, to ensure an inclusive experience for all website visitors.

If you encounter any content or features on our website that are not fully accessible, we welcome your feedback and are committed to addressing the issue promptly.

Requesting Assistance:

If you need accommodations, alternative formats, or support accessing any part of our website or services, please contact us:
